Allowable Subject Matter

3. Claims 1-23 and 43-51 are pending and are allowed.

4. The following is an examiner's statement of reasons for allowance:

The closest prior art of Fera (WO 01/015001 A2) teaches managing a fleet of mobile assets, such as locomotives, utilizing remote data transfer, real time data monitoring, predictive failure analysis, and integrated work order processing.

In regarding to independent claims 1, 8, 43 and 46, Fera taken either individually or in combination with other prior art of record fails to teach or suggest the digital identity instance acting as proxy for the object and defined by instantiations of at least one service module associated with the digital identity instance, and wherein the services registry lists available services for the object based on the at least one service module associated with the digital identity instance.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
